

# CADDEX X

## POLE LADDER

### Foldable Hook

The Pole Ladder's hook features 8" of clearance when opened as well as replaceable stainless steel spikes of 1.5", 1" and 1/2".

### Modular Design

Using a modular design the Cadex Pole Ladder allows for custom kits suited to the needs of the mission.

### Low Profile Steps

Each 5 foot Pole Ladder section features four low profile steps. The steps are equipped with a spacer bar that ensures foot emplacement when set against buildings & other flat surfaces.

### Pole Ladder Transport Bag

The Pole Ladder Transport Bag accommodates one standard kit with room to spare. The mesh walls allow the bag to drain for underwater missions.

## Climbing HOOK

Partner ★★🇨🇦  
in MISSION

### Short Climbing Hook [4 inch]

The Cadex Short Climbing Hook provides assaulters with an extremely compact tool for vertical method of entry. Features Carbide Spikes for a secure grip.

### Long Climbing Hook [7 inch]

The Cadex Long Climbing Hook is also an extremely versatile tool for vertical method of entry, and provides three more inches of grip to your method of entry solution. Features Carbide Spikes for a secure grip.

### Extra Long Climbing Hook [14 inch]

This hook grips where others won't. Featuring a multitude of positions and replaceable stainless steel spikes (in 1/2", 3/4" and 1 1/2" lengths) the Extra Long Climbing Hook grips nearly everywhere.

## Breaching HAMMER

### The Cadex Tactical Breaching Hammer (TBH)

The Cadex Tactical Telescopic Breaching Hammer is one of the most powerful breaching tools available. A combination of Breaching Hammer, halligan tool, hinge breaker, and expedient ram, the Cadex tactical Breaching Hammer provides superior capabilities over traditional single use tools.

- Its unique design incorporates the functionality of a Breaching Hammer, halligan tool, hinge breaker, and expedient ram.
- Its telescopic design makes it very compact to carry.
- It can be used collapsed or extended.
